RE: Health Advisory Update, Somers Water District

Dear Morey:

Based on a letter from Stephanie Wallace of the EPA dated July 15, 1988, I have taken the liberty of writing a health advisory update which you can use to notify water customers. This may be used in its original form or you may decide to make some changes. Please let me know if you make any changes and send me a copy of the final version. The update needs to be issued as soon as possible. The date that the update is issued needs to be provided to our office.

Sincerely,

A handwritten signature in cursive script, appearing to read "Roy A. Wells".
